Notification of HITANO updates the product safety certification

2026/9/4

Dear Value Customers,

In response to the latest safety requirements, our products have successfully completed the update of relevant safety certification no. This update ensures continued compliance with international safety standards, providing you with confidence and peace of mind when using our products.

Please note that the documents approval no has been updated from CC8182311160 to CC81826070302. The affected products are FILM CAPACITOR, specifically the HDMP and HEK series. This update does not affect product functionality or quality. It only involves updating the document approval. For any future references in documents or systems, kindly use the updated version.

We sincerely appreciate your ongoing support and partnership. If you have any questions, please feel free to contact us.

Best regards,

For and on behalf of
